PLANT DETAILS

Particulars	Description
Plant	Methanol Plant
Capacity	300 TPD
Location	K1 Taloja Industrial Area, Maharashtra
Owner	Deepak Fertilisers and Petrochemicals Corporation Ltd.
Disposal Basis	As Is Where Is Basis
Scope	Valuation, Dismantling, Cutting , loading and Transportation.

The material available for disposal may include approximate 2000 MT of metal scrap.

Major assets include:

Stainless Steel (SS 304, SS 304L, SS 316)

Carbon Steel (CS/MS)

Alloy Steel

Storage Tank / Process Tank

Structural Steel

Copper

Brass

Aluminum

Electrical Scrap

Instrumentation Equipment

Rotating Equipment.

Detailed equipment list :

ANNEXURE – A

Major Plant & Machinery Available for Disposal

A. Stainless Steel (SS) Equipment

Tag No.	Equipment Description	MOC
V-606	Reformed Gas KO Drum	SS 304L
V-607	Reformed Gas KO Drum	SS 304L
V-608	Reformed Gas KO Drum	SS 304L
V-609	Process Condensate Drum	SS 304L
V-610	Final Reformed Gas KO Drum	SS 304L
V-611	Intercooler KO Drum	SS 304L
V-612	Crude Methanol Catch Pot	SS 304L
V-640 to V-644	Compressor Lube Oil & Seal Oil Tanks	Stainless Steel
V-605	Saturator	SS 304L
E-602	HP BFW Heater	SS 304L
E-603	DM Water Heater	SS 304L
E-604	Reformed Gas Cooler	SS 304L / SS316L Tubes
E-611	Syn Gas Compressor Intercooler	SS 304L / SS316L
E-639	K601 First Stage Cooler	SS 304L
E-645	CO ₂ Spill Back Cooler	SS 304 / SS316L

B. Carbon Steel (CS / MS) Equipment

Tag No.	Equipment Description	MOC
V-601	HDS Vessel	SA387 Gr 11
V-602	Zinc Oxide Vessel	SA387 Gr 11
V-603	Zinc Oxide Vessel	SA387 Gr 11
V-604	Steam Drum	WB36 Alloy Steel
V-613	Let Down Vessel	SA285 Gr C
V-614	Topping Column Reflux Drum	SA285 Gr C
V-615	Refining Column Reflux Drum	SA285 Gr C
V-616	Blowdown Vessel	SA285 Gr C
V-617	Condensate Pot	SA285 Gr C
V-618	Flare KO Drum	SA515 Gr 60
V-619	Flare Seal Pot	SA515 Gr 60
C-601	Topping Column	SA516 Gr 70
C-602	Refining Column	SA516 Gr 60
B-601	Waste Heat Boiler	SA204 Gr B
E-614	Converter Recycle Gas Interchanger	SA516 Gr70

E-615	Crude Methanol Condenser	SA516 Gr70
E-622	Refining Column Steam Reboiler	SA515 Gr60
E-627	Refining Column Reflux Condenser	SA515 Gr60

C. Storage Tanks

Tank No.	Description	Capacity
T-602	Methanol Shift Tank	150 m ³
T-603	Methanol Shift Tank	150 m ³
T-604	Fusel Oil Tank	50 m ³
T-605	Methanol Storage Tank	5600 m ³
T-601	Crude Methanol Tank	Large Storage Tank
T-607	Diesel Storage Tank	Utility Service

D. Major Rotating Equipment

Equipment Type	Quantity
Process Pumps	40+ Nos
Cooling Tower Pumps	3 Nos
BFW Pumps	2 Nos
Methanol Transfer Pumps	Multiple
Syngas Compressor	1 No
Purge Gas Compressor	1 No
Steam Turbines	7 Nos
Combustion Air Fans	1 No
ID Fan	1 No
Blowers	Multiple

Note:

- 1) Entire dismantling, cutting and loading is in scope of scrap customer.
- 2) All legal compliance related to labor and safety to be complied by scrap customers.

DOCUMENTS REQUIRED :-

1. CERTIFICATE REQUIRED FOR DISMANTLING AND DEMOLITION COMPLETION IN PAST
2. GST CERTIFICATE REQUIRED
3. AADHAR CARD AND PAN CARD REQUIRED

TERMS & CONDITIONS OF THE ONLINE AUCTION

Definitions

- **SELLER:** Seller **DEEPAK FERTILISER AND PETROCHEMICALS CORPORATION LIMITED**. is further referred in this catalog, as **DFPCL**.
- **BIDDER:** Any person - as a proprietor OR a partner OR an authorized representative of any company OR any legal entity and who is paying the requisite EMD and registered with us and who makes or places a bid for and purchases the scrap in full is considered as a bidder.
The bidder shall:
 - Be duly registered under applicable laws.
 - Submit all required KYC and statutory documents as specified in the tender.
 - Deposit the prescribed Earnest Money Deposit (EMD).
 - Participate in the bidding process in accordance with the tender conditions.
 - Possess the necessary financial, technical, manpower, equipment, safety, and statutory capabilities for dismantling, handling, loading, transportation, and disposal of plant and machinery.
 - Be responsible for compliance with all labor, safety, environmental, transport, and statutory regulations applicable to the execution of the contract.

Any person acting as Proprietor, Partner, Director, Authorized Signatory, Power of Attorney Holder, or Authorized Representative of a legal entity and participating in the bidding process shall be deemed to represent the bidder and bind the bidder to all obligations under this tender.

➤ **Successful Bidder**

Successful Bidder (Purchaser/Contractor) means the bidder whose offer is accepted by DFPCL and to whom the Letter of Acceptance (LOA) / Sale Order / Work Order, or Contract is issued for dismantling, cutting, removal, and disposal of the Methanol Plant and associated assets.

Eligibility Restriction

Bidders who are blacklisted, suspended, involved in litigation with DFPCL, or found guilty of safety violations, fraudulent practices, or statutory non-compliance may be disqualified from participation at the sole discretion of DFPCL.

1.0 GENERAL TERMS & CONDITIONS

1.1 Subject to the reserve price, if any, fixed by the SELLER and subject to the term and conditions set out herein, sale shall be made to the HIGHEST BIDDER on **"AS IS WHERE IS BASIS"** and **"NO SELECTION/CHOICE "** will be given for lifting material." The Seller does not undertake any responsibility to procure any permission/license etc. in respect of the auction property offered for sale.

1.2 SELLER reserves the right to modify and amend the terms & conditions and announce the same at any time before the entire auction concludes. Announcements made during the auction in the auction room and changes made in the catalogue including start price, bid increment/decrement, extension of time for lots where bids are received or not and any other additional conditions OR correction in the catalogue and/or additions or deletions of items

being offered for sale are being done with the consent and knowledge of the seller.

1.3 Participation in the tender shall be deemed to constitute conclusive evidence that the bidder has inspected the entire Methanol Plant, associated facilities, equipment and materials and is fully satisfied regarding the:

- Quantity
- Quality
- Condition
- Accessibility
- Recoverable value
- Material of Construction (MOC)
- Dismantling requirements
- DFPCL Safety norms and procedures

No subsequent claim shall be entertained.

1.4 Submission of bid shall imply that the bidder has thoroughly understood and accepted all tender terms and conditions, safety requirements, dismantling obligations and statutory compliance requirements.

1.5 The highest bidder shall have no automatic right to claim award of the contract. DFPCL reserves the absolute right to accept or reject any bid, cancel the tender process, withdraw any portion of the plant or assets from the scope, or annul the process at any stage without assigning reasons.

2.0 PARTICIPATION

2.1 The prospective bidder has to register with the **DFPCL** by submitting their PAN Card, valid GST registration certificate, and address proof by way of electricity bill, or telephone bill, or Bank account statement. The prospective bidder after completing the registration process shall have to deposit Earnest Money Deposit (EMD) through RTGS only. Other mode of payment will NOT BE ACCEPTED.

2.2 Duly filled Declaration Form to be submitted along with visiting card at DFTP/STL site office along with Earnest Money Deposit (EMD).

2.3 Only after completion of the registration process and deposit of EMD payment in prescribed way as outlined in 2.1 above, seller will activate the User – Identity to enter Website Sourcing Portal.

2.4 Bidders SHOULD NOT disclose their PASSWORD to anyone and safeguard its secrecy. Bidders are advised to change the Password.

2.5 In case of successful bidder, the EMD amount will be converted into Security Deposit (SD) and same shall be refunded after satisfactory execution of order. For unsuccessful bidders EMD will be refunded from STL site office. Under any case SD/EMD shall not bear any interest.

3.0 Validity of Bid Prices:

The bid price would be valid till **Six months** from the date of acceptance of sale order. Sale order shall be released within 45 days from date of completion of bid.

4.0 Payment

4.1 All payments (EMD/Material value) shall be made by RTGS in favour of **Deepak Fertiliser and Petrochemical Corporation Limitd.**

4.2 The EMD amount will not attract any interest at any given time.

4.3 The Successful bidder has to make payment equal to the **50%** of total quantity offered in auction with the rate arrived in bid inclusive of taxes within 15 days from the Sale Order acceptance date.

4.4 In case, successful bidder fails to deposit the value of 50% of material as per Sale order within 15 days from release of Sale Order, their EMD will be forfeited and bidder will be blacklisted in view of non-compliance of terms of tender document.

4.5 Once 50% is exhausted against material value of delivery. Further balance value of contract is to be deposited with in four days to continue the dismantling and loading process,, failure of which lead to termination of contract and EMD will be forfeited.

4.6 The successful bidder must execute the Sale order in 100% quantity of the Sale Order within the agreed period / Time limit.

4.7 In case of slow progress or failure to maintain lifting schedule, after two reminders with a gap of 3 days DFPCL reserves the right to terminate the Sale Order AND sale the shortfall quantity to any other agency with available rate in market. The differential rate for the shortfall quantity will be debited to the defaulted Purchaser & will forfeite the EMD.

5.0 DELIVERY

5.1 On receipt of approval from competent authority for the disposal, the Seller will issue final Sale Order to the Approved bidder thereby enabling him to start carry out dismantling, cutting, loading, lifting and transportation of the Methanol Plant and associated assets at its own cost and risk.

5.2 Once two truckload of material accumulated at site after dismantling , the H1 bidder shall immediately evacuate accumulated material to maintain safe working zone. The non-compliance of this may lead to penalty as decided by the DFPCL management.

5.3 The successful bidder shall arrange at its own expense:

- Engineers
- Supervisors
- Skilled Workmen
- Gas Cutters
- Cranes
- Hydra
- Excavators
- Trailers
- Lifting Tools & Tackles
- Safety Equipment / PPEs
- Vehicles

5.4 The bidder shall dismantle and remove the following:

- Process Equipment
- Pressure Vessels
- Columns
- Reactors
- Heat Exchangers
- Storage Tanks
- Pumps
- Compressors
- Turbines
- Structural Steel
- Pipe Racks
- Process Piping
- Electrical Equipment
- Instrumentation Systems
- Cable Trays and Accessories

5.5 The loading of material will be permitted **between 09:30 am to 4.00 pm strictly**. the goods should be collected before **04:00 pm** on all working days (except Saturdays, Sundays & Holidays) with minimum one day advance intimation to job coordinator.

Successful bidders should ensure that the material clearance is as per the seller's instructions. Proper cleaning and upkeep of scrap storage area /yard from where the material is lifted is the responsibility of the successful bidder. In the event of non-adherence to the above by the successful bidder, seller will reserve its rights to impose penalties/forfeiture of EMD.

5.5 The Weighment recorded at the DFPCL premises shall prevail.

5.6 The loading of the material will be in the presence and authorization of **DFPCL** .

5.7 The successful bidder will make his own arrangement for lifting, loading, Skilled manpower , Supervisors, Cranes, Hydra,Forklifts, Trailers, Excavators, Gas Cutting Equipment, Safety Equipment, Loading Equipment, and transporting the material from the factory premises and he will not claim any sort of assistance whatsoever or charges from the company.

5.7 The seller may grant suitable extension of delivery schedule /period to the Buyer ,In case seller is unable to deliver the goods within the specified time due to unforeseen administrative reasons, then the seller shall grant suitable extension of delivery period to the Buyer without any penalties till the expiry of such extended period. However, the Buyer shall not be entitled to claim any compensation for such delay.

5.9 While taking delivery of the material, it will be at the discretion of the seller or its authorized representative to direct the manner / order in which the materials or lots shall be removed. No segregation of the items of any lot is allowed inside the seller's premises.

5.10 Breaking/ cutting may be allowed to the extent necessary for facilitating loading into vehicles as per the discretion of the seller. No gas cutting equipment's or any equipment, which are likely to cause damage, will be allowed in the premises. Only safe oxy-acetylene gas cutting equipment will be allowed with permission of seller. The decision of the seller or his authorized representative shall be final in this regard.

5.11 It will be successful Buyer's responsibility to weigh the empty Truck at the certified weighbridge of **DFTP/MAL** and produce the weight certificate so that the weight of the empty truck will be deducted from the weight of the fully loaded truck.

5.12 The representative of Buyer must have authority at the time of delivery latter by which shall be presented to the seller. The seller may in his entire discretion decline to act on any such authority and it shall be for the Buyers to satisfy the seller that the authority is genuine. Delivery to such authorized person will constitute valid delivery and no claim shall lie against the seller on any account thereafter.

5.13 Once the goods / materials are taken out of the factory gate, Buyers will be solely responsible for all sorts of claims like shortage, missing parts, damage, incident, accident, loss of material etc. The overall quantity of scrap material is on estimation however no guarantee for the total quantity. Buye has to ascertain the total availability of scrap material.

5.14 Resale / Sale in transit will not be recognized. The Buyers shall not be entitled to resell any lot or part of a lot while goods are still lying within the premises of the seller and no delivery would be affected by the seller to any person other than the Buyers whose names are mentioned in the sale order/Delivery order.

5.15 Buyers and his men are subject to the security rule of seller in force while in the seller's premises. The Buyers/s, their workmen agents or representatives shall not commit any nuisance, theft or indulge in any antisocial activities in the seller's premises and the Buyers shall be liable for the good conduct, safety & discipline of his workmen. In case of any such activity, delivery will be suspended and strict action as per law will be taken including forfeiture of EMD.

5.16 While taking delivery of the material, the Buyers shall be responsible for any damage caused by their man/ vehicle to DFPC/ STL's machinery, property, men within the premises. The SELLER may at its option arrange to make good such damages and the Buyers shall pay for the same on demand. If such payment is not made on demand, the SELLER may forfeit the

EMD/Security Deposit or may stop delivery of the material till payment is made.

5.17 SELLER will not be responsible for any injuries caused due to accident within its premises either to the buyer or his representative / labor etc., and the buyer will cover proper insurance /arrangements for any claim arising out of the employment under any status. It is the responsibility of the buyer to provide all necessary safety appliances (like hand gloves / safety shoes etc.,) to the laborers, who are engaged for dismantling, cutting and loading activities.

5.18 If any accident or damage to the property / life etc. arises by reason of any act of negligence / omission / default or non-compliance with any of the Terms & Conditions or statutory regulations or rules and regulations applicable within the Seller's premises, on the part of the Buyer / his representative or employees, resulting in death or injury to any persons or damages to the property of the SELLER or any third party, then in such an event the Buyer will have to pay compensation to such person including the employees of the SELLER for such accident or injury / death or damage caused to their employees or to any of the Seller's employees or to others or to the Seller's property. The Buyer shall in such event, keep the SELLER fully indemnified from any demand, claims or proceedings thereof.

5.19 In case the whole or any part of the goods sold remained uncleared, after due date as stated in the delivery schedule, the buyer shall have no claim whatsoever on the goods remaining uncleared and the amount paid to **STL** will stand forfeited at the expiry of the said period. **STL** shall have right to dispose of such goods in any manner they like. The buyer shall have no right whatsoever for any compensation on this account.

5.20 The buyer shall not be entitled to resell any lot or part of a lot while the goods are lying in the premises of the **DFTP/STL** and no delivery would be affected by the **DFTP/STL** to any person other than the buyer.

5.21 Disposal of scrap is to be done against advance payment made through RTGS by scrap customer.

6.0 Safety of labors and Statutory compliance of labor law/ rules/ regulations

6.1 The Buyer shall be responsible to ensure the safety of their employees/ follow/ representative/ contract labor as per **DFTP/STL** stipulations and other statutory safety regulations. Buyer shall ensure that all his workmen on site use suitable PPE like safety hand gloves, helmets, masks and goggles etc., as necessary for their safety.

6.2 The buyer shall be responsible to secure compliances with all Central and State laws as well as the rules, regulations, byelaws / notifications and orders of the local authorities and statutory bodies as may be in force from time to time. Buyer must comply with all statutory obligations like **Labor License, ESIC, PF** etc. whichever is applicable. In case of noncompliance of statutory obligations, the SELLER may stop delivery of the material or may forfeit EMD/Security Deposit.

7.0 Disputes / Arbitration

7.1 In case of any dispute arising out of or relating to the terms of the sale order the matter shall be referred to one arbitrator appointed by **Smartchem Technologies Ltd** . The arbitrator shall act in accordance with the provisions of Arbitration and Conciliation Act, 1996. The venue of arbitration shall be **Mumbai**.

7.2 An authorized official or any other person appointed by the seller shall decide any dispute arising between the successful bidder and seller. The decision of the Arbitrator shall be final and binding on both the parties.

8.0 Termination of Contract –

STL reserves the right to terminate the contract at any time on the following ground.

- Unsatisfactory execution or performance of the contract by the Buyer.
- For improper behavior of the buyer or by his employees / agents / representatives or breach of the terms and conditions of the contract.
- Or for the reason, whatsoever, as may deem fit to **STL** for termination of the contract.
- Non-fulfillment of submission of statutory details, excise & sales tax compliance before dispatch of materials.

9.0 FORCE MAJEURE

Any delay in or failure of the performance of either party hereto shall not constitute default hereunder or give rise to any claims for damage, if any, to the extent such delays/failure of performance is caused by occurrences such as Acts of God or an enemy, expropriation or confiscation of facilities by Governmental Authority, acts of war, rebellion, sabotage or fires, floods, explosions, riots, or strikes. The Vendor shall keep records of the circumstances referred to above and bring these to the notice of Deepak fertilisers And Petrochemicals Corp. Ltd in writing within three days of occurrence of the event. The amount of time, if any, lost on any of these counts shall not be counted for the contract period. Such a determined period lost shall be extended by Deepak fertilisers And Petrochemicals Corp. Ltd to enable the Vendor to deliver the items within such extended period of time.

For Deepak Fertilisers AND Petrochemicals Corporation Ltd..
