- 1.2 The EMD will be kept as Security Deposit. The Security Deposit shall be refunded only after satisfactory execution of Contract.
- 1.3 The cutting of material at PCL site is not allowed. However, in case, it is required for certain reasons, PCL shall review the same and decide if it to be allowed or not. The cutting, if required of the items will be allowed only acetylene cutting. Therefore, your bids should be based on acetylene cutting.
- 1.4 In the event of the failure of the Bidders (H1 Bidder) by way of a default in payment of the material being disposed or non-compliance or any of the terms mentioned herein, the contract will automatically stand terminated and the Security Deposit will stand forfeited for the breach of contract by the bidder. In this case, the company reserves the right to dispose of the balance material in the Lot and the said bidder will have no claim whatsoever.

2.0 DELIVERY

- 2.1 On receipt of approval from competent authority for the disposal, the Seller will issue final Sale/ Delivery / Release Order to the Approved bidder thereby enabling him to lift the available materials within week time. Sale order validity would be 90 days.
- 2.2 The successful bidder shall not be entitled to choose or pick up any material from the lot. They must lift the entire material as available in the lot.
- 2.3 To facilitate PCL to complete the transaction before 4.30 P.M. the goods should be collected before 4 P.M. on any working day with prior appointment of the concerned department during the stipulated delivery days (except Saturdays, Sundays & Holidays). Please contact respective person for co-ordination. Successful bidders should ensure that the material clearance is as per the Seller's instructions. Neat and clean

maintenance of the stockyard from where the material is lifted is the responsibility of the successful bidder. In the event of non-adherence to the above by the successful bidder, seller will reserve its rights to impose penalties/forfeiture of EMD and other payments collected. Weight recorded, wherever required at the Seller's premises / Sellers shall prevail.

- 2.4 The loading of the material will be in the presence of and after the approval / Authorization of PCL.
- 2.5 The Bidder shall be responsible to ensure that their employees follow safety regulations as per PCL stipulations and other statutory regulations. Bidder shall ensure that all his workmen on site use safety belts, gloves, helmets, masks etc., as necessary for their safety. The bidder shall be responsible to secure compliances with all Central and State laws as well as the rules, regulations, bye-law / notifications and orders of the local authorities and statutory bodies as may be in force from time to time. Bidder must comply with all statutory obligations like Labor License, Workman Compensation policy, ESIC, PF etc. whichever is applicable. In case of noncompliance of statutory obligations, the SELLER may stop delivery of the material or may forfeit EMD/Security Deposit.
- 2.6 The successful bidder will make his own arrangement for lifting, loading and transporting the material from the factory premises and he will not claim any sort of assistance whatsoever or charges from the company.
- 2.7 In case seller is unable to deliver the goods within the specified time due to unforeseen administrative reasons, then the seller shall grant suitable extension of delivery period to the Bidder without any penalties till the expiry of such extended period. In such eventuality, however, the Bidder shall not be entitled to claim any compensation for such delay.
- 2.8 If the goods sold or portion thereof remain un-cleared in the premises of the seller beyond the stipulated period, the sales proceeds of the un-lifted assets shall be forfeited, and the un-lifted portion of the assets may be removed at the risk and cost of the bidder.
- 2.9 While taking delivery of the material, it will be at the discretion of the seller or its authorized representative to direct the manner / order in which the materials or lots shall be removed. No segregation of the items of any lot is allowed inside the seller's premises.
- 2.10 Breaking / cutting may be allowed to the extent necessary for facilitating loading into vehicles as per the discretion of the seller. No gas cutting equipment's or any equipment, which are likely to cause damage, will be

allowed in the premises. Only safe oxy-acetylene gas cutting equipment will be allowed with permission of seller. The decision of the seller or his authorized representative shall be final in this regard.

- 2.11 It will be successful Bidder's responsibility to weigh the empty Truck at the certified weighbridge of PCL and produce the weight certificate so that the weight of the empty truck will be deducted from the weight of the fully loaded truck.
- 2.12 Should the original Bidders wish to take delivery of the surplus material through a representative, he must authorize the latter by a letter of authority or continuing authority, which shall be presented to the seller. The seller may in his entire discretion decline to act on any such authority and it shall be for the Bidders to satisfy the seller that the authority is genuine. Delivery to such authorized person will constitute valid delivery and no claim shall lie against the seller on any account thereafter.
- 2.13 Once the goods / materials are taken out of the factory gate, Bidders will be solely responsible for all sorts of claims like shortage, missing parts, damage, incident, accident, loss of material etc.
- 2.14 Resale / Sale in transit will not be recognized.
